D BALAJI
PIPE FITTINGS

THE FOUNDATION STONE

Ours is an established unit where we design and manufacture industrial valves and pipe line products. With our supreme design and high quality, we have created a niche for our products in the market. Our clients are from across the industries, be it chemicals, pharmaceuticals, petroleum, textile, sugar, paper, oil, gas, steam & other fluid services. Every product is designed, manufactured and guaranteed as per international standard specification. We have the broadest range of valves available to meet the requirements of the clients across industries. The company is proud to serve the industry by offering latest innovative valves. Every valve is designed to perfection, catering to the current requirements and trends in the industry. They are designed, manufactured and distributed in accordance with ISO 9001 : 2015 requirements.

| INVESTMENT CASTING | C.S. | M.S. | C.I. | S.S. | BALL
| GATE | GLOBE | PLUG | CHECK | SIGHT GLASS | PULP
| BUTTERFLY | NEEDLE VALVE | GUAGE CLASS CLOCK

UNIQUE FEATURES

- Positive Sealing
- No Steam Leakage
- Lower Installed Cost
- Quarter Turn Operation
- Bubble Tight Shut-Off
- Self Cleaning PTFE seats offer long life and low torque
- Seats and seals are easily replaced
- Strech test in all valves available
- Other manufacturing co. are doing press test but we do this practical test of "strech test"
- Wrench indicate valve bore direction
- Smooth cylindrical port provides excellent flow characteristics and reduces energy wasting pressure drops
- Valves are produced using the investment cast method, which offers uniform dimensions, high quality dense material and extra ordinary attractive finish
- Valves provide two-way shut off
